

JINDAL FROZEN FOODS PVT. LTD.

Presents

World Class Cold Storage Services..

Storage You Can Trust

Company Summary

JINDAL SHEET GRAH (UTTARAKHAND)

CAPACITY

> 4000 Ton of storage capacity at (-20)°C temperature.

> 10000 Ton of storage capacity at 0°C to 10°C

- Cold Storage Space for Rent.
- Contractual Booking of Frozen Vegetables (Green Peas etc.)
- Sale of Frozen Vegetable (Green Peas etc.)

The inventory management system is fully computerised providing online updates for goods stored i.e. date of arrival and dispatch, nature of goods, quantity, packing, balance, location etc. Round the clock services and availability of labour at any given point in time enable us to meet the customer requirement promptly. Digital temperature display adds to the transparency of our service.

Separate rooms for specially items like vaccines, processed films and fruits with independent temperature control are also provided. The cold storage can accommodate more than ten containers and trucks of various sizes for simultaneous loading and unloading exercise. Presently we are storing Fresh Fruits(imported & Indian), Vegetables, Dry Fruits, Dairy Products, Pulses and Food Grains, Pharmaceuticals, Dates, Spices & Condiments and various other Frozen Products.
